Lunch Option

The food served by Zonzo is based on a traditional Italian method of a long sharing table. The food is placed on the table allowing for all to indulge and enjoy a variety of dishes and wines. The lunch has been designed with the emphasis on our wood fired oven producing fine authentic Italian cuisine.

Menu

Upon arrival, a complimentary glass of wine is served.

Then start by sharing our Antipasto Misto which consists of Italian cured meats, imported and local cheeses, grilled and marinated vegetables and our wood fired casalinga bread.

Salads are then served followed by a selection of pizzas
